COMMISSION COMMITTEE

Proposed Amendments

Add to Section

III: Access & Circulation:
Paragraphs D & E as follows:

- D. A driveway permit shall be required for a driveway connection to Bolen Huse Road from the County Engineer and the engineer is responsible for calculating the proper culvert size.
- E. The private ingress/egress drive shall have fifty(50') feet of asphalt pavement where it connects to Bolen Huse Road to keep soil and gravel off the public road.
